

## **Fort Knox 385-10**

### **4-15. 15 Passenger Van Operation.**

a. All personnel who operate a 15 passenger van are required to complete the driver improvement course available at the MOS library. Additional copies are available from the Fort Knox Safety Office.

b. During general dispatch of a 15 passenger van, TMP will require all operators to have in their possession a certificate of completion. For those 15 passenger van that are permanently assigned to a unit, the commander/director will ensure all operators have a certificate of completion.
